Objectives

I am seeking opportunities in Physical Oceanography, in-situ data collection and analysis, and studying oceanic responses to atmospheric phenomena. My goal is to pursue a career as an academic and researcher, focusing on areas such as Physical Oceanography, Meteorology, Climate and Atmospheric Science, Satellite Oceanography, and Marine Ecosystem.

Education

2020	SSC	Major: **Science** Board: Jessore Institution: Nakipur Govt H.C. Pilot Model Secondary School GPA: ***5 (scale of 5)***
2022	HSC	Major: **Science** Board: Dhaka Institution: Notre Dame College GPA: ***5 (scale of 5)***
2023-Present	B.Sc.	Major: **Oceanography** Dept. of Oceanography and Hydrography Institution: Bangladesh Maritime University (Previously known as: Bangabandhu Sheikh Mujibur Rahman Maritime University, Bangladesh)

Skills

- **Software**
  - ***Python***
  - ***MS Office***
  - ***ArcGIS***
  - ***Mapillary***
  - ***OSM***
  - ***KoboToolbox***
  - ***Ferret***
- **In-situ Data Collection** (Water and Sediments for Chlorophyll, Nutrients, Phytoplankton, Heavy Metals etc.)
- **Lab and Field Instruments Handling;**
  - **Niskin Bottle**
  - **CTD**
  - **Plankton Net**
  - **Single Beam Echo-sounder**
  - **Multiparameter**
  - **Chemicals**
  - **UV Spectrophoto-meter**
  - **DO/BOD meter**
  - **Digestion Chamber**
  - **Microscope etc.**

Research Interest

- **Physical Oceanography**
- **Geological Oceanography**
- **Climate Change**
- **Ocean-Atmospheric Interaction**
- **Marine Biodiversity**
- **Geomorphology**
- **Seismology and Petrology**
- **Satellite Oceanography and Remote-sensing**

Training and Awards

1. Attended International Symposium on Coast, Climate and Community , 2026 held by Shahjalal University of Science and Technology on 17-18 June, 2026.
2. Attended Seminar on "Mapathon Challenge 2026" held by Regional Integrated Multi-Hazard Early Warning System (RIMES), in collaboration with Save the Children on 30th March, 2026.
3. Attended Conference on "Weather, Climate Services and Anticipatory Action" held by Bangladesh Meteorological Department (BMD), in collaboration with Save the Children with support from German Humanitarian Assistance on 29th March, 2026.
4. Awarded VC's Scholarship in First year second semester (1-2) by Bangladesh Maritime University.
5. Attended Seminar on "Challenging the Bay of Bengal for Economic Opportunities" held by Centre for Bay of Bengal Studies (CBoBS), IUB in collaboration with Department of Global Studies & Governance (GSC) with support from IOC UNESCO on 29th June, 2025.
6. Attended international Seminar on "Blue economy: Unlocking the potentials of Oceans for sustainable development of Bangladesh" held by BMU on 21st April, 2025.
7. Attended international Seminar on "Sustainable Ocean economy: Advancing Bangladesh's Blue Growth" by BMU on 30th April, 2024.

Key Qualifications and Abilities

- Experienced in field observation for coastal, oceanic, estuarine and coralline ecosystems with sediment and water sample collection for lab-based data analysis.
- Experienced in working under institutional projects, writing research proposals and reports.
- Hardworking, passionate, punctual and careful about responsibilities.

.

Co-Curriculur Activities

1. Millenium Fellow, Class of 2025, Millenium Campus Network (MCN), UNDP
2. Joint Secretary, Youthmappers Chapter of BMU, Bangladesh Maritime University (Dec 2025- Present)
3. Join Secretary of Club Co-ordination, Bangladesh Maritime University Photography Club (Jan 2026- Mar 2026)
4. Asst. Communication Secretary, Bangladesh Maritime University Photography Club (Jan 2025-Dec 2025)
5. Asst. Director, Youthmappers, Bangladesh Maritime University Chapter (May 2025- Nov 2025)
6. Executive, Maritime University Ocean Club, BMU (July 2025- May 2026)
7. Trainee Executive- Content and Script Writing team, BMUPC (Dec 2023-Dec 2024)
8. Vice-President, Festival and Outreach Department, Notre Dame Nature Study Club, Notre Dame College, Dhaka (Dec 2021-Dec 2022)
