Curriculum Vitae

Sheikh Fahim Faysal Sowrav

Lecturer
Department of Oceanography and Hydrography
Faculty of Earth and Ocean Science
Bangladesh Maritime University

M.Sc. (2023) and B.Sc. (2021) in Oceanography
M.Sc. in Water Resources Development (Running)

Career Objective

To pursue a PhD in Oceanography or a related discipline, with a focus on advancing research in different aspects of environmental oceanography, as well as data science and remote sensing. My goal is to contribute to understanding and addressing critical issues such as climate change, coastal vulnerability, and meteorological impacts. I am dedicated to integrating interdisciplinary approaches to drive impactful scientific discoveries and foster academic excellence, aiming to build a distinguished career as a leading scientist and academician in marine and environmental sciences.

Work / Teaching Experiences

2024 – Present *Full-Time*	**Lecturer** Department of Oceanography and Hydrography Faculty of Earth and Ocean Science Bangladesh Maritime University
2021 – 2024 *Contractual*	**Researcher and Resource Person** National Oceanographic And Maritime Institute (NOAMI) **Working as a teacher** and completed 03 batches of the certificate course "*Data Science with Python: Beginner to Advance*", 02 batches of the "*Integrated Training Course on Numerical Modeling, AI, and Geospatial Technology for Earth and Ocean Science Research*", and 02 batches of the "*Research Training Course on ArcGIS Pro and Remote Sensing*". Also completed several research works and projects under NOAMI.
2024 Contractual	**Trainer** Training Program, Nirmol Welfare Foundation of Bangladesh **Course:** Data Visualization Techniques for Environmental Studies
2023 Contractual	**Trainer** Training Program, Nirmol Welfare Foundation of Bangladesh **Course:** Building Research Career for Early Professionals and Students

Research Project Experiences

July 2024 – Running Nirmol Bangladesh	**Team Leader (Project Director)** *Comprehensive Study of Eutrophication in Saline Water Dominated Areas of Bangladesh's Southern Coastline along the Northern Bay-of-Bengal.* As a part of Global Eutrophication Monitoring (GEM)-in-a-box project funded by Government of Canada.	• Eutrophication monitoring in the coastal rivers of Bangladesh • Using the newly developed CTD, Multimeter, Portable Spectrophotometer from GEM-in-a-box tool.

July 2023 – July 2024 National Oceanographic and Maritime Institute (NOAMI)	**Associate Investigator (AI / Co-PI)** *Integrated Climate Change Resilient Community Building with Continuous Water Quality Analysis in the Mongla, Sundarbans, Bagerhat and Khulna Coastal Zones Using Machine Learning Techniques.* Funded by Ministry of Science and Technology, Bangladesh.	• Primary data collection • Water quality analysis through Remote Sensing • Machine Learning model • Managing the project and reporting
May 2023 – May 2024 Bangladesh University of Engineering and Technology (BUET)	**Research Associate** *Spatiotemporal modeling of nutrient cycling through a selected coastal river in the south-west region of Bangladesh.* Funded by Research and Innovation Center for Science and Engineering (RISE).	• Data collection and sorting • Water and soil quality analysis • Delft3D Hydrological Model • Analyzing tidal influence on water quality
May 2023 – Oct. 2023 Nirmol Bangladesh	**Research Team Leader (Project Contact Person)** *Building a Resilient Community through Ocean Literacy: Empowering Women, Students, and Unemployed Youth.* Funded by Korea Safety Health Environment Foundation.	• FGD, KII • Seminar arrangement for Ocean Literacy in schools and institutions.
Oct. 2022 – Oct. 2023 Youth Mappers at BSMRMU	**Resource Person** *Youth Mappers at BSMRMU: Upbuilding Chapter Initiative.* Funded by Humanitarian OpenStreetMap Team.	• Organize a full committee for building a new chapter of Youth Mappers in BSMRMU. • Conduct seminars on mapping.
May 2022 – Apr. 2023 National Oceanographic and Maritime Institute (NOAMI)	**Team Member (Data Analyst)** *Development of a Typhoon Triggering Mechanism for Anticipatory Actions in Vietnam.* Funded by Government of Vietnam.	• Cyclone path mapping and damage analysis • Finding triggering criteria • Anticipatory action plan.
Jan. 2021 – Dec. 2023 Nirmol Bangladesh	**Research Associate, Project Coordinator (promoted)** *Ocean Literacy for Climate Resilience.* Funded by Nirmol Welfare Foundation of Bangladesh.	• Manage the project schedule and works • Human resource management
July 2021 – June 2023 Bangabandhu Sheikh Mujibur Rahman Maritime University (BSMRMU)	**Research Assistant** *Analysis of Natural and Anthropogenic Threats to Sustainable Management of Nijhum Dwip Marine Protected Area (MPA).* Funded by University Grants Commission (UGC) of Bangladesh.	• Used CTD, Algal Torch, Hanna Multimeter, Plankton Net, Niskin Bottles, etc. for in-situ sample collection. • Observation of the anthropogenic threats
July 2019 – June 2021 Bangabandhu Sheikh Mujibur Rahman Maritime University (BSMRMU)	**Research Assistant** *Fisheries Diversity and Environmental Variables in Waterways of the Eastern Sundarbans Mangrove Forest Bangladesh.* Funded by University Grants Commission (UGC) of Bangladesh.	• Used CTD, Algal Torch, Hanna Multimeter, Plankton Net, Niskin Bottles, etc. for in-situ sample collection. • Fisheries data analysis and reporting.

July 2018 – June 2019 Bangabandhu Sheikh Mujibur Rahman Maritime University (BSMRMU)	**Research Assistant** *Analysis the Discrepancies Between Nautical Charts and Remote Sensing Data by In-Situ Observations Along the Chittagong Coast.* Funded by University Grants Commission (UGC) of Bangladesh.	• Data curation from the SONAR data. • Data sheet creation, management and analysis. • Reporting

Education

Passing year: (Running)	**M.Sc. in Water Resources Development (WRD)** *Institute of Water and Flood Management,* *Bangladesh University of Engineering and Technology.* Result: Not Published (Thesis submission remaining)
Passing year: 2023 **Position: 1st** ***Result: CGPA 3.90*** *(Out of 4.00)*	**M.Sc. in Oceanography** *Department of Oceanography and Hydrography,* *Bangabandhu Sheikh Mujibur Rahman Maritime University, Bangladesh.* *Thesis Title:* Comprehensive Environmental Health Assessment of Diverse Coastal Ecosystems of Bangladesh: Laboratory and Modeling Keynotes: i. In-situ sampling from the coast of northern Bay of Bengal. ii. Heavy metal analysis of water and sediment with Atomic Absorption Spectrophotometer (AAS). iii. Physico-chemical parameters and Nutrient analysis with UV-Vis Spectrophotometer in laboratory. iv. Developed a new index named Environmental Health Risk Index (EHRI). v. Geospatial analysis, modeling and Mapping.
Passing year: 2020 (As Per Certificate) Exam held: 2022 Result published: 2022 (Due to COVID19) **Position: 1st** ***Result: CGPA 3.73*** *(Out of 4.00)*	**B.Sc. in Oceanography** *Department of Oceanography and Hydrography,* *Bangabandhu Sheikh Mujibur Rahman Maritime University, Bangladesh.* *Thesis Title:* Diagnosis of Environmental Health at a Deltaic Mangrove Ecosystem: A Case Study for Sundarbans Mangrove Forest, Bangladesh. Keynotes: i. In-situ sampling from the southwestern coast of Bangladesh inside Sundarbans Mangrove Forest. ii. Heavy metal analysis of water and sediment with Atomic Absorption Spectrophotometer (AAS). iii. Physico-chemical parameters and Nutrient analysis with UV-Vis Spectrophotometer in laboratory. iv. Data cleaning, processing, analysis, visualization, and interpretation using different software and Python programming language. v. Used Mangrove Quality index for the first time in Bangladesh, and did spatial distribution analysis.
Passing year: 2016 ***Result: GPA 5.00*** *(Out of 5.00)*	**Higher Secondary Certificate (HSC)** *Bir Shrestha Noor Mohammad Public College* Board: Dhaka, Faculty: Science
Passing year: 2014 ***Result: GPA 5.00*** *(Out of 5.00)*	**Secondary School Certificate (SSC)** *Engineering University School and College* Board: Dhaka, Faculty: Science

Fellowship, Grants, Awards

1) **Research Fellow**, National Science & Technology (NST) Fellowship by Ministry of Science & Technology, Bangladesh to carry out M.Sc. research (2022 – 2023)
2) Four times **VC Scholarship** (BSMRMU, 5th, 6th, 7th and 8th semester in B.Sc., CGPA >3.75)
3) Four times **Dean Scholarship** (BSMRMU, 1st to 4th semester in B.Sc., CGPA >3.50)
4) **Travel Grant to attend Ocean Science Meeting**-2020 in San Diego by AGU, TOS, and ASLO
5) **Scholarship from Commonwealth of Learning**, Canada (2020)
6) Successful **Campus Director** of Hult Prize (2020)
7) 1st Runner up - Inter College Science Project (2014)
8) Best Painting Award – Inter School and College (2013)

Volunteer Experience

1) Chair of Social Event Subcommittee, The Oceanography Society Student Committee (2020 – 2022)
2) General Secretary, YouthMappers at BSMRMU, YouthMappers (2019-2021)
3) Secretary General, International Blue Concord Model United Nations, 2020
4) Campus Director, Hult Prize (2019 – 2020)
5) President of Editorial Committee, Trishnatur (2019 – 2020)
6) Information and Technology Secretary, BSMR Science Club (2019 – 2021)

Technical Skills

Computer Operating Systems: Windows XP/7/8/10/11, Ubuntu 14-20.4

GIS and Remote Sensing: ESRI ArcMap, ArcGIS PRO, SatCO2, EDRAS Imagine, ODV, Surfer

Hydrodynamic Model: Delft3D FLOW, Delft3D WAQ

Data Science:

Programming: Python, R, C++, Ferret (in Ubuntu), FORTRAN, MATLAB

Advance Statistical Analysis: Origin Pro, JMP Pro, SPSS, Minitab Pro, EPA PMF

Office Tools: MS Word, MS Excel, MS Power Point, MS Visio, MS Publisher, Adobe InDesign

Project Management Tools: MS Project, Prezi Desktop

Web Development: HTML 3, CSS, JAVA, GitHub, WordPress, Domain Hosting and SSL.

Graphic and Video: Adobe Photoshop, Illustrator, Animate, Lightroom, Premier Pro, Filmora X.

Activities

1) Active member of the **Student Committee of TOS** (The Oceanography Society).
2) Lifetime Member of **NOAMI** (National Oceanographic And Maritime Institute).
3) Participated as a Speaker/Presenter on "**GEO BON Open Science Conference & All Hands Meeting 2020 - Biodiversity monitoring for post 2020**"
4) Participated as a Speaker on "**Coastal Transitions: Blue Economy**" with a poster.
5) Attended "**2nd International Blue Economy Dialogue Dhaka 2017**" organized by Ministry of Foreign Affairs, Government of the People's Republic of Bangladesh
6) Attended an international seminar on "**Adaptation Measures to Climate Change and Sustainable Blue Economy for Bangladesh**" organized by Bangabandhu Sheikh Mujibur Rahman Maritime University.
7) Attended an international seminar on "**Legal Regime at Sea and Governance of Maritime Resources for Sustainable Blue Economy**" organized by BSMR Maritime University and Blue Economy Cell, Energy and Mineral Resource Division, Government of the People's Republic of Bangladesh.
8) Attended in the international seminar "**6th GOBESHONA Conference 2020"** organized by ICCCAD and Independent University Bangladesh.
9) Attended in the international seminar on "**An outlook for sustainabke Maritime Development and Governance: Challenges and Way Ahead**" organized by Bangabandhu Sheikh Mujibur Rahman Maritime University.
10) Attended in the international seminar on "**An Inclusive Maritime Vision for Sustainable Development of Bangladesh**" organized by Bangabandhu Sheikh Mujibur Rahman Maritime University
11) Participated in "**3rd National Enviro+ Challenge**" organized by Environment Watch, Bangladesh University of Engineering and Technology.
12) Participated in the seminar on "**Protect Our Species**" in the celebrating of Earth Day 2019 organized by EMK Center for Public Service and the Arts.

Certificate Short Courses

Course Name	*Institution / Organization*	*Grade*	*Year*
The Ocean Forecast System Course: Coastal Resilience and Disaster Risk	BMKG and UNESCO/IOC	Completed	2022
Ocean Model Configuration for OFS Implementation	BMKG and UNESCO/IOC	Completed	2023
Continuous Professional Development QS University Ranking Roadmap	Centre for Business and Economic Research (CBER)	20 Points out of 20	2022
Oceanography: Principles and Applications	National Oceanography and Maritime Institute (NOAMI)	Certified	2022
Learning Data Analytics	LinkedIn Learning	Passed	2021
Presenting Data	HP Life	Passed	2021
Introduction to GIS Mapping	University of Toronto	Grade 97.97%	2021
Fundamentals of GIS	University of California, Davis	Grade 97.95%	2021

Exploratory Data Analysis withMATLAB	MathWorks	Grade 90.28%	2021
Python Basics	University of Michigan	Grade 100%	2021
100 Days of Python: Beginner to Professional	The App Brewery	Completed	2021
Ecology: Ecosystem Dynamics and Conservation	American Museum of Natural History, and Howard Hughes Medical Institute	Grade 86%	2021
Oil and Gas Industry: Operations and Markets	Duke University	Grade 95.31%	2021
Introduction to Personal Branding	University of Virginia	Grade 91.66%	2021
Sit Less, Get Active	The University of Edinburgh	Grade 96.36%	2021
Frontend Fundamentals	PIRPLE.COM	Passed	2020
The Data Scientists' Toolbox (R)	Johns Hopkins University	Grade 100%	2020
R Programming	Johns Hopkins University	Grade 96%	2020
Getting and Cleaning Data with R	Johns Hopkins University	Grade 100%	2020
Exploratory Data Analysis with R	Johns Hopkins University	Grade 100%	2020
Reproducible Research with R	Johns Hopkins University	Grade 93.81%	2020
Microsoft Excel Basics	A2I, ICT Division, Bangladesh	Passed	2020
Multimedia Content Development	A2I, ICT Division, Bangladesh	Passed	2020
Spoken English	A2I, ICT Division, Bangladesh	Passed	2020
Digital Security Essentials	Digital Security Agency,Bangladesh	Passed	2020
Advanced Digital Photography	ALISON	Grade 88%	2020
